Summary

Finance leader with portfolio-level responsibility for commercial execution, project accounting, and financial governance across North America onshore wind operations. Own commercial execution for nine service contracts and help steer financial performance across a ~130-project portfolio. Recognized for leading CPM teams, strengthening forecasting discipline, and delivering executive-ready reporting that drives margin, cash flow, and operational performance.

Experience

Siemens Energy - Wind

Team Leader – Commercial Project Management

Orlando, FL

July 2024 - Present

- Own financial steering across a 130+ project portfolio (~\$3.5B planned revenue, 870 technicians), delivering executive-level P&L and cash-flow forecasts with clear variance narratives to support net-zero profitability.
- Architected the FY26 budget framework under an accelerated timeline with Operations and regional finance leadership; recognized for delivering the most transparent and actionable planning cycle to date.
- Lead and develop a team of 11 CPMs and 3 interns, driving team-wide process initiatives that standardize execution and reinforce forecasting discipline during organizational change.
- Serve as the primary financial liaison between Operations and CPM while supporting month-end close and portfolio reviews to ensure accurate books and compliance with FRG, GAAP, and internal controls.
- Align resource planning, cost-center controlling, and service financials to strengthen manpower forecasting, overhead recovery, and warranty cost visibility across regional reporting.
- Govern the North America Finance Analytics platform as the portfolio's financial source of truth, integrating SAP and operational data for 200+ users while standardizing KPIs.

Commercial Project Manager

May 2022 – June 2024

- Direct commercial execution of 14 long-term onshore wind service contracts under PoC, including SAP project setup, billing plans, revenue recognition, audit support, and margin management.
- Served as finance counterpart in two high-stakes contract arbitrations, supporting legal teams and safeguarding project margins.

KPMG LLP

Experienced Audit Associate

Jacksonville, FL

January 2021 – May 2022

- Led teams of 3 on quarterly reviews for two Fortune 500 clients, delivering on-time SEC filings within budget and PCAOB compliance.
